- 4. Earth Day takes place each year on 22nd April. The purpose of Earth Day is to heighten awareness of issues to do with climate change and caring for the environment. The theme this year is Restore Our Earth.
We must Restore Our Earth not just because we care about the natural world, but because we live on it. Every one of us needs a healthy Earth to support our jobs, livelihoods, health & survival, and happiness. A healthy planet is not an option – it is a necessity.
You'll find information on the dedicated website Earthday.org.**
- 5. In that context, I recommend a programme on RTE 1 television on the Burren which will be screened this Sunday at 6.30 pm.**
- 6. Please keep in touch with the Parish using the Parish Website, Facebook Page and Twitter.**

Stay safe.

Keep each other safe.
